Rajan Vernekar

Has worked closely with several domestic & international retail brands to curate the brand experience & develop their designs.

He has a Master's Degree in Design from IDC, IIT, Bombay. Over three decades of experience of working with top management in Indian real estate at Strategy & Leadership Levels, Design Management, Product Innovation & Design. He has launched some of the largest world-class mixed-use developments in India. He was a core team member of design development of 50 large-scale mixed-use projects in Tier I, II cities of India. He is a pioneer in shopping centre industry of India.

He brings a unique blend of an international experience of the best of design & development processes with a deep understanding of the Indian Mindset & Indian Market. He has Middle East work experience and has experience of collaborating with international architects such as DDG, RTKL, Buchan, Benoy, Walker, Rockwell etc & interacting with Capitaland Singapore and other international agencies like Cracknell, Lunson-Mitchenall etc.

He has set up & led large teams of architects & designers with Director level responsibilities in real estate industry.
He has written for trade magazines and has been panellist for real estate & retail sector conferences. He is associated with IDC IIT Bombay as External Jury for Master Level Thesis & invited to deliver series of talks on design management, retail & lighting design at various platforms. Greatly networked with international & Indian architects & other consultants.

Objective: raise the bar in design excellence through fabulous destinations & properties

Sangeeta Vernekar

An architect with 35 years of experience in Design, Business Development & Education

Niche segment- Retail Excellence, User Experience & Design

Seasoned leader, an architect, who works closely with top management & clients to design build some world class properties. This involves feasibility, conceptualization, design management -guiding the teams for master-planning, architecture, interiors, way-finding signage to fitting out. The advisory has been built on three decades of experience in consumer insight, strategic thinking, aiming for excellence and developing brand experience. Has led large teams with Director level responsibilities in real estate industry. Has worked across sectors such as large-scale mixed-use assets with retail & shopping centers, commercial, hotel & residential. Also registered as Fellow Valuer of Immovable Properties.

Pioneer in shopping center industry of India & was a core team member of launching some of India's best retail destinations for Inorbit Group & Phoenix Group including Palladium malls & Phoenix Marketcities.

Business Development, Sales, Marketing & Communication :

Headed Corporate team of Marketing & Communications at Phoenix Group for 2 years.

Handled brand guidelines and website development, selection & coordination of all Mar Comm agencies, budgets, monitoring of execution, ideating properties and designs.

Managed Retailers Relations for all the shopping centers in the group, Marketing Communication Initiatives, Retailers events, Retailers news-letters etc.

Handled Mar Comm for the Palladium Hotel including logo development, brand guidelines and website development.
