

REALKEY

WHERE WE STAND

25+

Member team operating from India with a background in end-to-end Real estate advisory, consulting and brand strategy.

200+

Partnerships with top brands in multiple categories for their retail strategy and execution.

400+

Successful transactions in 30+ cities in India.

Specialization

RealKey is India's fastest-growing retail leasing and consulting company that offers comprehensive solutions to retailers and businesses across verticals with operations in six cities across India.

End-to-end retail advisory and consulting

Our team of experienced commercial real estate professionals specialise in providing end-to-end retail advisory and the consulting. RealKey prides itself on having delivered 800+ successful transactions. Our team has helped clients in leasing out more than 5.5 million sq feet of area.

A diverse set of services to choose from

We are driven by the passion to provide the best possible solution to our clients. We work tirelessly to find the right real estate for your business. Our commercial real estate services include Location identification and selection, Landlord representation, Commercial negotiation, and tenant representation, among others.

Tailored strategic consulting that's just right for you

We offer strategic consulting services to businesses looking to optimize their commercial real estate portfolios. Our team provides tailored strategic consulting services such as market research, lease analysis, negotiation support, financial analysis, and lease management to help clients achieve their business goals.
